

Certificate of Participation

Dr.-Ing. Mojtaba Masoudinejad

participated actively in the 3-day workshop with individual coaching

Writing successful research proposals

on 07th, 11th and 14th June 2021 (4 hrs per day) + individual feedback appointment.

Research Academy Ruhr is the cross-university platform for promoting early career researchers of Ruhr-Universität Bochum, TU Dortmund University and the University of Duisburg-Essen.

The objectives of this workshop were:

- developing & profiling research ideas for research proposals
- understanding funding programmes
- proposal structure, content and language use
- work plan with milestones, deliverables and contingency plans
- review process & review criteria
- principles, tools and methods of proposal writing

Trainer: Dr. Babette Regierer & Dr. Susanne Hollmann (*SB ScienceManagement*)

Bochum, 14th June 2021

Prof. Dr. Wilhelm Löwenstein
Speaker of Research Academy Ruhr
